

2013 ISA Water/Wastewater and Automatic Controls Symposium

6-8 Aug 2013...Crowne Plaza Orlando-Universal Hotel...Orlando, FL

Presented by the ISA Water/Wastewater Industries Division, in collaboration with the WEF Automation and Information Technology Committee and the Florida Section of the AWWA, the WWAC symposium offers affordable professional development opportunities for SCADA, automation, and instrumentation professionals in the water and wastewater sectors.

KEYNOTE SPEAKER

Using Data from Municipal Water/Wastewater SCADA Systems (and Other Sources) to Make Smarter Operational, Maintenance, and Infrastructure Investment Decisions

*Carey E. Hidaka, Worldwide Smarter Water Solutions
IBM Software Group*

INVITED SPEAKER

The Current State of Cyber Security in Municipal Water Plants

*John Cusimano, Director, Security Services Division, exida
& Voting Member, ISA99 Control Systems Security Committee*

INVITED SPEAKER

The High Performance HMI - Proof Testing in Real-World Trials: Results from an EPRI Study

*Bill Hollifield, Principal HMI Consultant, PAS
& Voting Member, ISA101 HMI Standards Committee*

INVITED SPEAKER

Managing Successful SCADA Retrofit Projects

*P. Hunter Vegas, Lead Project Engineer, Avid Solutions
& co-author of "101 Tips for a Successful Automation Career"*

GUEST SPEAKER

Automation Technology Trends in the Wastewater Sector

*Tom DeLaura, Chair, WEF Automation and Info Tech Committee
& Vice-President, Eramosa Engineering International Inc.*

2 full days of Technical Speakers and Presentations (2.0 CEU)

Instrumentation, System Integration, Automation, Plant Case Studies, New Technologies, Optimization, Project Management, Smart Water, SCADA, HMI, Human Factors, Alarm Management, Data Reporting

Two optional short courses:

2-day course: SCADA & Automation Cybersecurity (1.4 CEU)

1-day course: Flowmeter Selection & Sizing (0.7 CEU)

Tour of a local water treatment facility
Trade Show, Reception & Networking Event

Affordable Professional Development for:

Plant Operations/Maintenance Staff, Plant Managers, Engineers, Instrumentation Technicians, Plant Designers, System Integrators, Facility Owners, and PLC, HMI, SCADA, DCS Programmers

2.5 day conference for \$375 (discounted WEF member rate)
Conference hotel rate \$92/night. Online registration now open.
